Sponsorship Offerings

www.thecreek.com.au

Australia's busiest racetrack

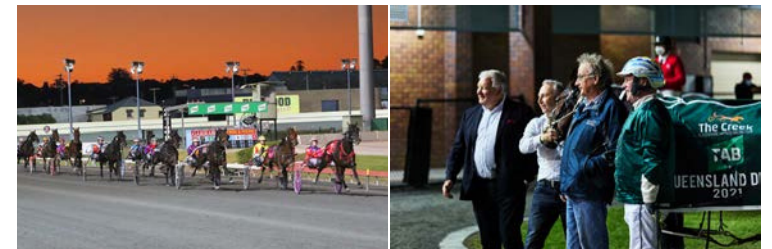

As the leading metropolitan race club in Queensland, we conduct over 150 race meetings each year. Home to midweek and Saturday race meetings, we're renowned for our friendly atmosphere and easy viewing of the home straight and parade ring from the wide-open lawns and grandstand.

At The Creek, we believe in long-term relationships with you and offering tailored partnership packages for all companies, individuals and budgets.

Having commenced racing at our current destination (Albion Park Trotting Club) back in 1968, the club has recently undergone a significant program of modernisation and rebranding as the leading metropolitan pacing club in Queensland.

"The Creek" as we are now known conduct over 150 race meetings each year (circa 1,000 individual races) and firmly believe in mutually rewarding long term relationships with our partners. The Creek is an ideal destination for work conferences, festivals, product launches, corporate and family days, BBQ events plus trade exhibitions as we have a wide variety of indoor and outdoor spaces on offer.

As a partner with The Creek, we will assist in the promotion of your organisation to a large number of patrons, members and guests.
